Who EM Governance Review is for

EM Governance Review examines governance, regulation, institutions, ESG, courts and compliance across emerging markets, country by country, with the primary document behind every claim.

We write for general counsel, compliance officers, policy teams, investors, diplomats and researchers. The test for every piece is simple: can the reader check it. Every figure, date and quote links to the document it came from, and at least one primary source sits behind every article.

PUBLISHING RHYTHM

Monday: weekly digest (six to eight sourced items). Wednesday: data piece with method. Friday: analysis or voice piece. Daily: two to four news items as the beat supplies them.

HOW WE REPORT

Every figure, date and quote links inline to its source. A fact that cannot be sourced is not published.

At least one primary source per article: a filing, release, regulator, ministry, statistics office, court or multilateral document.

Quotes appear only when the exact words are in a cited source.

No company, government or advertiser reviews a news piece before publication.

Sponsored content is labelled Sponsored in the kicker and on the page, excluded from editorial rankings and the news feed, and carries rel="sponsored nofollow" on outbound advertiser links.
